Reviewer's report

Title: Systematic Literature Review Assessing Tobacco Smoke Exposure as a Risk Factor for Serious Respiratory Syncytial Virus Disease Among Infants and Young Children

Version: 2 Date: 11 April 2012

Reviewer: John Cairney

Reviewer's report:

I reviewed the original reviews (All 4), the response to reviews letter and the revised manuscript.

I think the authors have done an adequate job of responding to the concerns and the manuscript should be accepted for publication on this basis
