Reviewer’s report

Title: Predictors of receiving therapy among very low birth weight 2-year olds eligible for Part C early intervention in Wisconsin

Version: 3 Date: 21 March 2013

Reviewer's report:

Thank you for the re-submission of the manuscript. The authors have addressed all of the comments and suggestions provided. There is a minor error on page 17 - last paragraph, 4 sentence from the end... I think they intended it to read 'who do not have Medicaid'. 'do' was omitted.

The rest of the manuscript is fine and I recommend it be published.
