Reviewer's report

Title: High incidence of pulmonary tuberculosis in children admitted with severe pneumonia in Uganda

Version: 3 Date: 12 December 2012

Reviewer: Alok Kumar

Reviewer's report:

The authors have adequately addressed all comments, and paper has improved substantially. I only have a few additional comments/recommendations:

1. When using bracket(parenthesis) please do not use the same bracket with a bracket - in the abstract and elsewhere.
2. Please recheck the references for the style.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
