Reviewer’s report

Title: Determinants of Academic Performance in Children with Sickle Cell Anaemia

Version: 2 Date: 26 June 2013

Reviewer: Roland Ibekwe

Reviewer's report:

This article is interesting and addresses an important educational issue in children with sickle cell anaemia in Nigeria.

The educational needs of Children with sickle cell anaemia like in other chronic childhood diseases had not generated the required interest among researchers and policy makers in Nigeria.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
