Reviewer's report

Title: The Impact of The Use of Antiepileptic Drugs on the Growth of Children

Version: 3 Date: 9 November 2013

Reviewer: Brian D Moseley

Reviewer's report:

The authors have addressed my original concerns. I have no further significant concerns. I appreciate the willingness of the authors to address my concerns. Job well done!

The only remaining criticism is some continued grammatical issues. At the discretion of the editors, these may be addressed by a typesetter rather than the authors.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
