Reviewer's report

Title: Is Fecal Calprotectin an Accurate Marker of Inflammation in Cystic Fibrosis?

Version: 2 Date: 4 April 2014

Reviewer: George Vaos

Reviewer's report:

The above mentioned manuscript: Is Fecal Calprotectin an Accurate Marker of Inflammation in Cystic Fibrosis? has been carefully and properly revised according to the referees' reports. Therefore, I think it can be published in the BMC Pediatrics.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
