Reviewer's report

Title: Circumstances surrounding dying in the paediatric intensive care unit

Version: 2 Date: 1 August 2006

Reviewer: Jean-Pierre Revelly

Reviewer's report:

General
The authors have appropriately completed the information regarding the autopsies. For the others comments, they have chosen to acknowledge them rather than address them.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
None

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
None

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
