Reviewer's report

Title: Screening for hypoglycemia at the bedside in the neonatal intensive care unit (NICU) with the Abbott PCx glucose meter

Version: 2 Date: 2 August 2006

Reviewer: Gerald J Kost

Reviewer's report:

General
The paper now is acceptable for publication. The authors did a fine job of addressing the reviews and revising the paper.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
