Title: Young patients', parents', and survivors' communication preferences in paediatric oncology: Results of online focus groups

Version: 2 Date: 24 September 2007

Reviewer: Jennifer Mack

Reviewer's report:

General
I am pleased with the changes as written. The authors have addressed all of my concerns.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
