Reviewer’s report

Title: Effect of Point of Care Information on Inpatient Management of Bronchiolitis

Version: 2 Date: 18 December 2006

Reviewer: Sophie Gosling

Reviewer’s report:

General

------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Revisions made to my satisfaction

------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Revisions made to my satisfaction

------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

------------------------------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
