Reviewer’s report

Title: The incidence, aetiology and outcome of acute seizures in children admitted to a rural Kenyan district hospital

Version: 2 Date: 2 January 2008

Reviewer: Gretchen L Birbeck

Reviewer’s report:

All previous comments and concerns have been thoroughly responded to. I think it would be of value to add information re: the standardized data collection instrument (as you described in your written response).

What next?: Accept after discretionary revisions

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare I have no competing interest.
