Reviewer's report

Title: Microcytosis and possible early iron deficiency in paediatric in-patients: a retrospective audit

Version: 2 Date: 18 March 2009

Reviewer: Rosline Hassan

Reviewer's report:

Authors have reorganised and made the corrective actions as suggested. Thus the article is acceptable for publication

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
