Reviewer's report

Title: Reasons for illicit drug use in people with schizophrenia: Qualitative study

Version: 2 Date: 12 October 2010

Reviewer: Jakob Demant

Reviewer's report:

The authors have added a number of very central reflections especially to the methodological that were raised in the review report. These have as well been included in their analysis as well. This has improved the manuscript substantially.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
