Reviewer’s report

Title: Service user and carer experiences of seeking help for a first episode of psychosis: a UK qualitative study

Version: 2 Date: 22 July 2011

Reviewer: Ruth Gerson

Reviewer’s report:

The manuscript is much improved with the clarifications and the additional quotations, which are such a valuable and important part of such qualitative research. Thank you for the opportunity to review this manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
