Reviewer's report

Title: Sub-threshold depression and antidepressants use in a community sample: searching anxiety and finding bipolar disorder

Version: 2 Date: 21 August 2011

Reviewer: Matthias Angermeyer

Reviewer's report:

In the revised version the authors have adequately addressed all points I had raised. No further revisions seem necessary.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
