Reviewer's report

Title: Prevalence and risk factors of major depressive disorder in HIV/AIDS as seen in semi-urban Entebbe district, Uganda

Version: 2 Date: 17 October 2011

Reviewer: Limin Mao

Reviewer's report:

The authors should address their limitations of not collecting detailed HIV disease and history data.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests.
