Reviewer's report

Title: Explicit and implicit information needs of people with depression: A qualitative investigation of problems reported on an online depression support forum

Version: 2 Date: 29 January 2011

Reviewer: Franciska Desplenter

Reviewer's report:

Dear Editor,

Thank you for sending the revised manuscript. I have carefully re-read the manuscript evaluating the revisions based on the comments of both reviewers. The quality of the manuscript substantially improved. The authors revised their manuscript in a consistent and careful way. They critically considered the reviewer's comments and addressed them in an appropriate way. I have no further comments and therefore, the manuscript can be accepted for publication.

Best regards,

FD

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
