Reviewer's report

Title: Contributors to suicidality in rural communities: Beyond the effects of depression

Version: 5 Date: 28 June 2012

Reviewer: Youngtae Cho

Reviewer's report:

Authors have incorporated most points raised by this reviewer. The manuscript has substantive merit to be published in the journal. Particularly, to show non-depressive mechanism of suicidality is the most important contribution of this paper.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
