Reviewer's report

**Title:** Choice of antipsychotic treatment by European psychiatry trainees: are decisions based on evidence?

**Version:** 3  **Date:** 20 February 2012

**Reviewer:** Stefan Priebe

**Reviewer's report:**

The authors have amended the paper as suggested, and I believe it can be published in its current form. The rest should be obvious.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
