Title: Young people with depression and their experience accessing an enhanced primary care service for youth with emerging mental health problems: a qualitative study

Version: 2 Date: 9 July 2012

Reviewer: Debra Rickwood

Reviewer’s report:

Authors have adequately addressed the concerns raised in my review. However, the two sentences added on page 6 required references and some additional detail to put this research more firmly within an international context.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have been seconded to the position of Head of Clinical Leadership and Research for headspace National Youth Mental Health Foundation. I have no direct link with the researchers or the headspace centre that this publication is focussed on. However, I am currently involved in research related to the overarching headspace initiative.
