Reviewer's report

Title: Young men's attitudes and behaviour in relation to mental health and technology: implications for the development of online mental health services

Version: 2 Date: 1 March 2013

Reviewer: kate cavanagh

Reviewer's report:

Thank-you for inviting me to re-review this interesting manuscript. I'm satisfied that the authors have addressed each of my major concerns about the manuscript adequately here.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
