Reviewer’s report

Title: Quality of life is predictive of relapse in schizophrenia

Version: 2 Date: 2 October 2012

Reviewer: Pratap Sharan

Reviewer’s report:

The authors have answered all queries (major, minor, discretionery) that I had raised adequately.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I am a Principal Investigator for a multi-centred clinical trial sponsored by Eli Lilly. Also I collaborate with World Health Organization on various projects.
