Reviewer’s report

Title: Clinical Validation of the Portuguese Version of the CANFOR

Version: 2 Date: 29 July 2012

Reviewer: Angela Hassiotis

Reviewer’s report:

Major compulsory revisions
The revisions needed are 1. Change the title to accurately reflect content of the paper, 2. Correct grammatical errors, 3. Amend the discussion to include a section on strengths and limitations

- Minor Essential Revisions
1. Please use the term service users rather than users throughout

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
