Reviewer’s report

Title: Perspectives on reasons for non-adherence to medication in persons with schizophrenia in Ethiopia: a qualitative study of patients, caregivers and health workers

Version: 5 Date: 6 May 2013

Reviewer: Rikke Jørgensen

Reviewer’s report:

The revisions made have strengthened the overall paper, and the suggestions that have been stated in the previous review have been met.

Especially, the elaborations in the methods section have made the results and discussion more transparent.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
