Reviewer's report

**Title:** Prescribing trends of antipsychotics in youth receiving income assistance: results from a retrospective population database study

**Version:** 2  **Date:** 29 March 2013

**Reviewer:** Irene Eriksson

**Reviewer's report:**

The authors have adequately addressed comments and made the suggested changes to the original submission. The revised manuscript contains some minor typographical errors that should be corrected.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.

**Declaration of competing interests:**

I declare that I have no competing interests.
