Reviewer's report

Title: Emotional facial expression in women recovered from anorexia nervosa

Version: 2 Date: 1 March 2013

Reviewer: Timo Brockmeyer

Reviewer's report:

The comments of both myself and the first reviewer were addressed well by the authors and I have no further suggestions. The revised manuscript represents a fine piece of work that will be of interest to the readers of BMC psychiatry.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
