Reviewer's report

Title: A three generation study of the mental health relationships between grandparents, parents and children

Version: 2
Date: 4 November 2013

Reviewer: Rolieke AM Cents

Reviewer's report:

I would like to thank the authors for the careful appraisal of mine, but also of the other reviewers' comments. I think they have done a great job in responding to our comments.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
