Reviewer’s report

Title: A follow-up on patients with severe mental disorders in Sardinia after two changes in regional policies: poor resources still correlate with poor outcomes

Version: 2 Date: 27 November 2013

Reviewer: Anita Holzinger

Reviewer’s report:

I have again reviewed the above paper. In the revised version, authors addressed all comments of the reviewers and the manuscript improved considerably. In my opinion it is now suitable for publication in its present form.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
