Reviewer's report

Title: Attention Deficit/Hyperactivity Disorders with co-existing substance use disorder is characterized by early antisocial behaviour and poor cognitive skills

Version: 4 Date: 17 October 2013

Reviewer: Michelle Torok

Reviewer's report:

The authors have more than adequately addressed all my previous revision comments. No more revision required.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
