Reviewer’s report

Title: The effect of sunlight exposure on interleukin-6 levels in depressive and non-depressive subjects

Version: 2 Date: 28 January 2013

Reviewer: Alec J Davidson

Reviewer’s report:

I am satisfied with the revisions. Editing of English is still needed.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

no conflicts
