Reviewer’s report

Title: Excess Risk of Chronic Physical Conditions Associated with Depression and Anxiety

Version: 4 Date: 16 December 2013

Reviewer: Zainab Samaan

Reviewer’s report:

The authors responded to my previous comments adequately. Minor comments: Suggest to use ethnicity instead of "race" and sex, a biological construct, instead of "gender" a social construct.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
