Reviewer's report

Title: Mental health of indigenous school children in northern Chile

Version: 3 Date: 10 December 2013

Reviewer: Fernanda Serpeloni

Reviewer's report:

The authors have satisfactorily reviewed the manuscript and incorporated mine and the other reviewer's suggestions. I would recommend one more "Discretionary Revision".

1. In your answer to my review, you mentioned that the "Inventory of the level of involvement in the Aymara Culture" was held in two stages, one qualitative and one quantitative. I recommend including this information in the methodology section.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
