Reviewer's report

**Title:** The association of ADHD symptoms to self-harm behaviours: A systematic PRISMA review

**Version:** 2  **Date:** 20 March 2014

**Reviewer:** Christopher Bushe

**Reviewer's report:**

All mandatory and other suggestions have been included and the paper is a well written concise summary of information on an important topic in ADHD.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

CB is a full time employee of Eli Lilly who manufacture atomoxetine a treatment for ADHD and holds a small amount of stock. I do not perceive any conflict of interest in reviewing this paper.
