Title: First Episode Psychosis and Migration in Italy (PEP-Ita Migration): a study in the Italian Mental Health Services

Version: 7 Date: 7 March 2014

Reviewer: Gerard A Hutchinson

Reviewer's report:

The only additional revision which is minor but essential would be additional detail on how the controls would be recruited, e.g. numbers, matching, and timing.

Also the definition of a migrant seems to include internal migrants as well, should clarify this.
