Reviewer's report

Title: Association of serum leptin and ghrelin with depressive symptoms in a Japanese working population

Version: 2 Date: 10 June 2014

Reviewer: Martha Payne

Reviewer's report:

Prior concerns have been addressed.

Minor Essential Revision
1. Check spelling (e.g., ghrelin vs. gherlin on Page 17)

Discretionary Revisions
1. Consider adding 'cross sectional' to Title.
2. Consider other statistical options for examining non-linear relationships (alternatives to use of tertiles).

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
