Reviewer’s report

Title: Understanding the problems developing a healthy living programme in individuals with serious mental illness: a qualitative study

Version: 2 Date: 27 January 2014

Reviewer: Daniel Bateman

Reviewer’s report:

Thank you for inviting me to review this paper. The authors addressed all revision requests. They have done nice work. I have no other suggestions.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no declarations.
