Reviewer's report
Title: Anxiety and Stress in the Postpartum: Is there more to postnatal distress than depression?
Version: 2 Date: 3 February 2006
Reviewer: Deborah Da Costa

Reviewer's report:

General
The authors have addressed all the points in my previous review satisfactorily.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
Level of interest: An article of importance in its field
Quality of written English: Acceptable
Statistical review: No

Declaration of competing interests:
I declare that I have no competing interests.
