Reviewer's report

Title: The Effect of Verbalization Strategy on Wisconsin Card Sorting Test Performance in Schizophrenic Patients Receiving Classical or Atypical Antipsychotics

Version: 2 Date: 16 November 2005

Reviewer: Marie-Christine Hardy-Bayle

Reviewer's report:

the revised manuscript now submitted by Rossi et al. presents several changes the authors made in response to the points raised in the review. I do not have any other criticism or remark to make and think thus that the manuscript can be accepted.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
