Reviewer's report

Title: 'Understanding the explanatory model of the patient on their medically unexplained symptoms and it's implication on treatment development research: a Sri Lanka Study'.

Version: 5 Date: 30 May 2008

Reviewer: Javier I I Escobar

Reviewer's report:

The authors have carefully considered each of the questions posed by the reviewers, have provided thoughtful answers and have revised the paper thoroughly.

The paper now reads much better and seems to be improved both in form and content.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests

Thanks!
