Reviewer's report

Title: Predictors and Correlates for Weight Changes in Patients Treated with Olanzapine and Weight Mitigating Agents; a Post-Hoc Analysis

Version: 2 Date: 25 September 2008

Reviewer: Serdar Dursun

Reviewer's report:

This paper is well designed, clearly presented and analyzed. It is of significant clinical interest as it addresses an important clinical and public health problem. It would be a very useful additin to the literature.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
