Reviewer's report

**Title:** Male circumcision for HIV prevention - A cross-sectional study on awareness among young people and adults in rural Uganda

**Version:** 4  **Date:** 9 January 2010

**Reviewer:** Paul Drain

**Reviewer's report:**

I feel the authors have adequately addressed my concerns with their revision. The article is now suitable for publication without further revisions.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests.
