Reviewer’s report

Title: Differences between willingness to pay and willingness to accept for visits by a family physician: A contingent valuation study

Version: 3 Date: 9 April 2010

Reviewer: Till Bärnighausen

Reviewer’s report:

The authors have taken my comments into account in the revision of their manuscript, which can be published. I would suggest that they incorporate their response to my comment number 6 into the results section, as a demonstration of the robustness of their results.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
