Reviewer's report

Title: 'Let's Get Moving' : Promoting Physical Activity in Primary Care

Version: 2 Date: 13 July 2010

Reviewer: Diane Crone

Reviewer's report:

I am happy that my comments have been adequately addressed in the manuscript and the authors opinions etc, explained in the supporting documentation, the list of responses to reviewers comments. I now feel that this paper is of sufficient standard to be accepted and that all my concerns have been addressed or when rejected, adequately explained.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare i have no competing interests.
