Reviewer’s report

Title: Burden of paediatric rotavirus gastroenteritis (RVGE) and potential benefits of a universal rotavirus vaccination programme with a pentavalent vaccine in Spain

Version: 2 Date: 3 May 2010

Reviewer: Hanna Maria Nohynek

Reviewer’s report:

I have read the replies of the authors and the revised manuscript. It is my understanding that scientific dialogue at best is to be brought to daylight now. I have no further requests or comments.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
