Reviewer’s report

Title: Factors associated with dental caries among institutionalized residents with schizophrenia in Taiwan: a cross-sectional study

Version: 7 Date: 26 July 2010

Reviewer: Georgios Tsakos

Reviewer’s report:

The authors have done a good job in addressing the points raised in my previous review and revising the manuscript. I have no further comments and am happy to suggest that the manuscript is accepted for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests
