Reviewer's report

Title: An exploratory study on Muslim adolescents' views on sexuality. Implications for sex education and prevention.

Version: 4 Date: 16 July 2010

Reviewer: Jacqueline Gahagan

Reviewer's report:

The paper would benefit from another complete proof reading as there are still a few places where the paper does not read well. For example, please change 'aids' to AIDS.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
