Reviewer's report

Title: Marital history, health and mortality among older men and women in England and Wales

Version: 2 Date: 27 May 2010

Reviewer: Edith Guilley

Reviewer's report:

The authors have answered my original criticisms sufficiently well and I consider that their MS can be published without further revisions.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
