Reviewer's report

Title: Response rates and selection problems, with emphasis on mental health variables and DNA-sampling, in large population based cross-sectional and longitudinal studies of adolescents in Norway

Version: 2 Date: 12 August 2010

Reviewer: Huibert Burger

Reviewer's report:

The authors have satisfactorily dealt with all of my comments. Nevertheless, I strongly recommend a 'language wash'.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
