Reviewer's report

Title: An overview of ethical frameworks in public health: can they be supportive in the evaluation of programs to prevent overweight?

Version: 2 Date: 28 July 2010

Reviewer: Patricia Jaime

Reviewer's report:

The authors have completely addressed the concerns in my prior review by clarifying and/or adding to the text.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
