Reviewer's report

**Title:** Partnership work between Public Health and Health Psychology: introduction to a novel training programme

**Version:** 2 **Date:** 19 October 2010

**Reviewer:** Susan Hrisos

**Reviewer's report:**

I agree that the clarity of the manuscript is much improved by its presentation as a correspondence type article. The authors have paid considerable attention to the feedback of all reviewers to achieve this. I am satisfied that my comments on the original draft have been addressed and have no suggestions for further review of the manuscript.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
